2011 CENSUS: KEY INDICATORS FOR WARDS
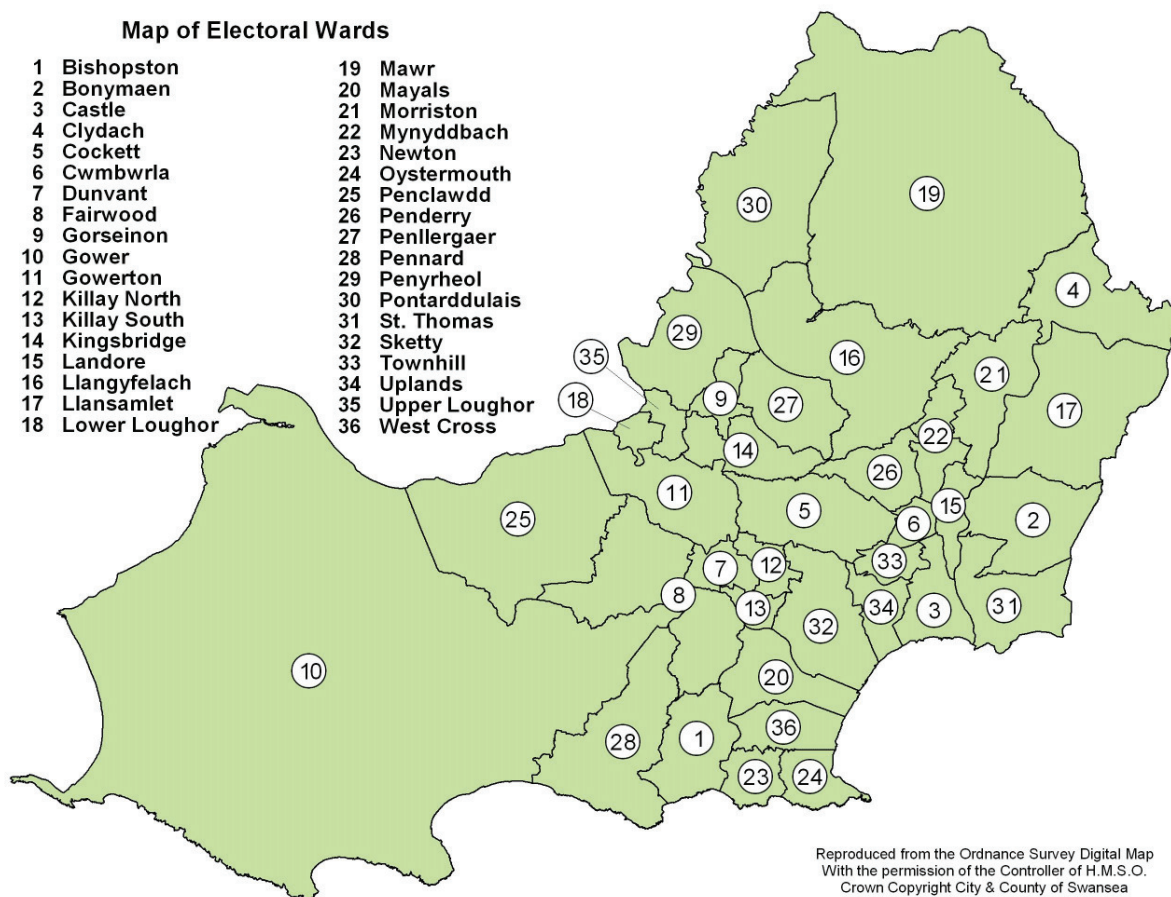

City and County of Swansea

The publication by ONS of Key Statistics and Quick Statistics for electoral divisions and output areas in Wales in 2013 followed the release of Key Statistics for Local Authorities. This booklet presents key findings from these data releases for each of the Electoral Divisions (commonly known as Wards) within the City and County Of Swansea including various population, economic and household characteristics on a ranked basis.

Map of Electoral Wards

1 Bishopston	19 Mawr
2 Bonymaen	20 Mayals
3 Castle	21 Morriston
4 Clydach	22 Mynyddbach
5 Cockett	23 Newton
6 Cwmbwrla	24 Oystermouth
7 Dunvant	25 Penclawdd
8 Fairwood	26 Penderry
9 Gorseinon	27 Penllergaer

Table: Health and Provision of Unpaid Care (KS301EW)

Note: All usual residents. A long-term health problem or disability that limits a person's day-to-day activities, and has lasted, or is expected to last, at least 12 months. This includes problems that are related to old age. Table is an amalgamation of those whose day to day activities are limited 'a lot' plus 'a little'.

Amalgamation of data from table: KS301EW - Health and provision of unpaid care

Note: All usual residents 16-74. A long-term health problem or disability that limits a person's day-to-day activities, and has lasted, or is expected to last, at least 12 months. This includes problems that are related to old age. Table is an amalgamation of those whose day to day activities are limited 'a lot' plus 'a little'.
