

TEMPORARY FOOD CATALOGUES

Due to a recent change in contract terms, the corporate food catalogues have been temporarily transferred from the xchangewales (Procserve) platform to local i-Siop catalogues. We anticipate that this change will be in place for up to eight weeks.

If you wish to order food items from Castell Howell (frozen food) or Celtic Food Services (groceries and provisions) please search the i-Siop local catalogue directory.

If you require any further assistance with these catalogues please email isis.purchasing@swansea.gov.uk or follow [this link](#) to the i-Siop information pages.

We have also been made aware that there is some confusion on the location of certain food catalogues. The table below shows where items should be ordered.
